Notes

An aching tooth is better out than in. To lose a rotting member is a gain.

Richard Baxter

Just be sure you brush your teeth tonight. Morning breath is a fresh sea breeze compared to the hellitosis of blood breath.

Faye Wells

Notes

Teeth are alive, and given the proper environment, they can regenerate; this is why internal factors that nourish the teeth are so important.

Notes

The tongue hardly quarrels with the teeth even though they both live together. Let us as humans learn to live together because there is enough space for everyone to survive in life
